- **Operations:** Managed wholesale, retail, inventory planning and stock control across **60+ SKUs** in gold and silver jewellery.
- **Negotiation:** Closed bulk orders from retailers and village shopkeepers at an **average ticket size of ₹2,00,000**.

AI PROJECTS & PROOF OF WORK

Forge: Multi-Agent Job Search Pipeline *In Development*	• **8 agents** (scout, job reader, CV adapter, outreach writer, form filler, etc.) move jobs across a Kanban board with a **human approval gate**. • Ingested **8,500+ postings** from public feeds with fit scoring. Live board: forge-board-three.vercel.app • **Controls:** Haiku/Sonnet routing, prompt caching, monthly spend cap, claim audit so CVs never add unverified facts.
Munshi: WhatsApp AI for Indian Traders *In Development*	• Answers buyer enquiries in **Hinglish**, matches stock and supplier price × lead time, escalates money decisions to the owner. • Claude tool-use with rule-based fallback; **the LLM never invents a number**. v0.1 passes **38/38 tests**.
Gifting Board: Catalogue & Quote Builder *Corporate gifting*	• Parallel agents turned **65 supplier PDFs** into **3,677 products** with page-cited prices, catching **295 wrong prices** (one 63× error = **₹5.9L**).
Real Ackres: Website & Lead CRM *Live client project*	• Built site, admin and CRM merging leads from forms, Meta/Google ads, **99acres, MagicBricks, Housing.com**. realackres.com
Shipped AI Agents *Claude Code, n8n*	• **Supplier Sourcing Agent:** ranks suppliers on price, MOQ, lead time, reliability; drafts the RFQ. • **AI Hamper Curation Agent:** builds hampers to budget and occasion, generates an AI product visual. • **Lead Scoring & Routing (n8n):** multi-source leads, weighted intent scoring, auto-alerts reps. • **Personal AI Ops Stack:** scoped agents with skills and memory for email, research and content.
In Build	• **LinkedIn Posting Automation** (research → draft → grade → approve → publish) • **Returns & RTO Agent** (flags loss-making SKU × pincode combinations)

VENTURES

Troofrnd (LinkedIn content SaaS) - Co-Founder | Pitaari (Silver gifting brand) - Founder **[2026 - Present] Pre-launch**

- **Troofrnd:** Founder posts where **every claim cites a verbatim source**, with cheap-model triage and a **hallucination regression suite**.
- **Pitaari:** Building the brand, site and content pipeline with AI tooling.

Noctura Customs (JDM car accessories) - Co-Founder | Fuel Station (Daily meals) - Founder **[2024 - 2025]**

- **Noctura:** Built the **Shopify** store self-taught; ran **5 Instagram campaigns** generating **₹80,000 revenue**.
- **Fuel Station:** Ran solo, **₹1,00,000 revenue in year one**; handled budgeting, pricing and vendors.
